

Hello All,

I am writing to remind you to submit your *Sanchez* case briefs to me by Friday, October 22nd at 1 P.M. E-mail me your case briefs either as basic word document attachments (making sure your name is on the attachment) or just written into the e-mail. I will review them, make comments and return them to you individually via e-mail. We will discuss the *Sanchez* case and the case briefs in class on Monday.

Uploaded are an updated syllabus and additional materials for next Monday's class.

Best,

Leslie
